

## Political paralysis

Published: January 14, 2026, 2:44 pm

---

The Tories tried to remove Theresa May as their leader yesterday.

Many of them loathe her.

It is a universally known truth that she is a liability to the country.

But they could not agree on what to do.

As a metaphor for the paralysis in modern politics that is as good as it gets. Even the obviously necessary cannot be done now.

We are at a mighty low point in our political history.
