

19,936 says Scotland cares

Published: January 14, 2026, 4:59 pm

There were 19,936 reads of this blog yesterday, the tenth highest ever.

If you want to know what that means it says that people in Scotland care about [GERS](#).

And getting appropriate information.

And about being misrepresented from Westminster.

And I, for one, am glad that they do.
