

# The true story of neoliberalism in one chart

Published: January 13, 2026, 10:03 am

---

I was reading the [Mirrlees Review](#) of taxation, published by the Institute for Fiscal Studies in 2011 this morning (such things are my day job) when this chart jumped out:

If you want an explanation of the consequence of neoliberalism that's it: over the thirty years when it ran rampant the higher your income was the larger the increase in it was too.

No wonder we have seen an increase in inequality.
