

A Tory and Labour wipe out in Scotland?

Published: January 13, 2026, 4:56 am

This is an analysis of today's Observer poll from Opinium via [Flavible.com](https://flavible.com):

I do not trust many polls, and Opinium seems to produce much stronger Tory results than most right now.

There is one thing to note though: look at Scotland. Not a single Tory or Labour seat.

I stress, I am not convinced, but that is still a pretty staggering forecast.
