

## Getting MMT wrong in the name of Marx

Published: January 13, 2026, 5:52 am

---

If you want a giggle [this analysis of MMT from a hard Marxist perspective](#) is amusing for the politics and economics geek. Written by Adam Booth, it could have been improved by even a little reading of what MMT is about. It makes the most basic of errors. So many in fact, I have no time to point them out.
