---

Ha-Joon Chang has a new series of lectures coming out on INET on the language of power - and how economics has been used to deny people access to it. This is the trailer:

[https://www.youtube.com/watch?v=i\\_wus-lnQls](https://www.youtube.com/watch?v=i_wus-lnQls)

The series will be [on INET](#) and I will draw attention to it when it comes out.
