

## Economics for People with Ha-Joon Chang

Published: January 13, 2026, 6:30 pm

---

Ha-Joon Chang is one of the great economists, and one of the great economic communicators of our time.

He has a whole new video series on economics out now.

This is the trailer for the series:

<https://youtu.be/qaNTRFOkp0Q>

And this is the first lecture, on the nature of economics:

<https://youtu.be/D-6rQmHpGfE>

I will be posting them all over time.

His basic hypothesis in this opening lecture is simple: economics cannot explain everything and economists need to be a lot more humble.
