

What is profit?

Published: January 13, 2026, 12:25 pm

I was meeting a friend yesterday, who was late. Whilst waiting I recalled a conversation on the nature of profit I had with another friend quite recently, and recorded a comment on it largely for their benefit, but then thought I would share it here. Please understand that this was made in one quick take, and outside, but I hope that the points I have to offer on the nature of profit make it of interest:
