

The loan charge discussion on Radio 2

Published: January 14, 2026, 12:23 am

I was on the Jeremy Vine show, discussing the Loan Charge last week. I have already [blogged about this a couple of times](#), but the broadcast has now been turned into a YouTube by the Loan Charge Action Group, which I now share.

That is a very old picture of Jeremy Vine.

I am next scheduled to be on Radio 2 on March 11, for budget day commentary.
