

Funding the Future

It would seem that freeports aren't popular

Published: January 15, 2026, 9:54 pm

I admit that it is not often that a [blog posted here](#) gets this much attention on Facebook:

My commentary on freeports on Saturday seems to have been popular.

I am aware that my weekend and weekday readerships of this blog seem to be different: I thought I'd draw attention to it for those who might otherwise have overlooked it. [You can find it here.](#)
