

# For those in Scotland I have just done a pre-record for...

Published: January 13, 2026, 11:52 am

---

The pre-record was ten minutes, which [given how I feel](#) was some effort.

The subject was whether or not we will have a crash.

My answer is predictable, I suspect, presuming the current state of government intervention.

And I ran through the solutions we need from the government if this is to be avoided. Readers here can guess what they might be.

I hope it gets out.

The John Beattie programme is on BBC Scotland.

Also available on BBC Sounds.
