## 17,000 blog posts

Published: January 13, 2026, 4:31 am

---

I noticed I published my 17,000th blog post on this site today. It's taken a bit under 14 years to do that. That's an average of about 3.3 a day, seven days a week, over that period.

And there is still so much to say.
