

Funding the Future

Bailout: a decision tree

Published: January 13, 2026, 6:23 pm

I have to say that I think this is rather good from the New Economics Foundation:

<https://twitter.com/chappersmk/status/1255094496506851331?s=11>

Since the chart is rather small this is what it looks like blown up, a bit:
