

We choose the science we want to believe

Published: January 13, 2026, 12:08 pm

I [did like the video in this](#), from Brian Cox on the Marr show this morning. The putdown is extremely well done:

And let's also be clear: there is no such thing as objective science.

We choose the science we want to believe.

It's just a shame politicians aren't honest about that.
