

# What would Scotland owe for becoming independent? A vid.

Published: January 12, 2026, 10:44 pm

---

The question of how much debt Scotland might owe the rest of the U.K. if it were to become independent has been a [recurring theme](#) on this blog this week, so I thought I would make a video about it as well.

I apologise for this one exceeding our target on video length: this issue seemed worth exploring in depth.
