

Can the UK still go bust?

Published: January 13, 2026, 4:13 pm

One of the questions I have been asked to address in my video series is whether or not the UK could still appear to go bust, as it is claimed happened in 1976 when the then Labour Chancellor, Denis Healey, requested a loan from the IMF.

The answer is no (apologies for the spoiler), and this is why:
