

Where to begin with tax reform?

Published: January 13, 2026, 11:23 am

The demands for tax reform after coronavirus are growing. I have been working on the whole theme of [Tax After Coronavirus](#) since near the time that the crisis developed. At present I am writing a submission to the Treasury Select Committee on this issue. They have called for evidence by 28 August.

So where to begin? This is the theme I tackle in this video? The important point is to look at the big picture.
