

The price of a protocol: thoughts on the shredding of t...

Published: January 13, 2026, 7:33 am

Recorded yesterday, before the UK Internal Markets Bill Got its second reading. But nothing has been changed because of that:

<https://youtu.be/TslyNbwp-dE>

The Northern Ireland Protocol is being summarily torn up by Our government and the price we will pay will be very high indeed.
