

The UK Internal Market Bill is a threat to Scotland and...

Published: January 13, 2026, 8:32 am

Building on [yesterday's video](#), which looked at the impact of the UK Internal Market Bill on the UK's external international relationships, this video looks at what I might call the UK's internal international relationships - because the UK is (although the likes of Jacob Rees Mogg deny it) a country made up of four nations and there can, therefore, be international relationships between them.

The impact is dire.
