

# Funding the Future

## The World Tax Summit

Published: January 13, 2026, 7:44 am

I gather that there are still several hundred [free registrations](#) available for this event. Previous experience suggests it is well worth taking part. I've done several of these events now, although this one is virtual, of course:

**TaxCOOP2020**

October 13-15, 2020

**WORLD TAX SUMMIT** **ONLINE**

COVID-19 has plunged the world economy into an unprecedented impasse. Some solutions may emerge from discussions between the major figures in international taxation.

**IDEATION WORKSHOPS**

- Taxation and the society of the future «AI, Robots»
- Identifying tax havens
- Africa and fair taxation: meeting around the constitution
- Reforming international taxation: participation and collaboration of all
- Towards a green international tax reform
- Towards a green economic recovery

**CITIZENS' EVENINGS**

- Taxation in times of crisis
- Ethics, inclusiveness and other issues

**MAJOR DEEBATES**

- Contribution of the super rich: voluntary or required?
- Who is in the driver's seat? Governments or multinationals?

**PREMIERE OF THE FILM**

Fast & Dangerous Race to the Bottom

**TaxCOOP2020 PROGRAM AND INSCRIPTION ; TAXCOOP.ORG**

Admissible for the purpose of satisfying the mandatory continuing education requirements of the Ordre des CPA du Québec.

+ TaxCOOP's Spécial Québec on October 16, 2020
