

Could maths help solve the problem with coronavirus tes...

Published: January 14, 2026, 3:03 am

I have no idea if the idea in this video is really deliverable, or not, although Rwanda is apparently using it, as has China.

But the idea seems powerful, and with appropriate logistical management it seems deliverable.

It's worth 15 minutes of your time for the sheer intellectual curiosity of it, frankly.

Take a look if you have a spare moment.
