The Institute of Chartered Accountants in England and Wales [posted this on Twitter](#) not long ago:

And [this is the top 5](#):

### **#ICAEWROAR Top Online UK Influencers: Accountancy 2020**

In the third #ICAEWROAR event, we have focussed specifically on UK individuals using social media within the realms of accountancy.

	#ICAEWROAR TOP UK ONLINE INFLUENCER: ACCOUNTANCY	TWITTER HANDLE
1	Richard Murphy	<a href="#">@RichardJMurphy</a>
2	Keith M Gordon	<a href="#">@keithmgordon</a>
3	Alex Cobham	<a href="#">@alexcobham</a>
4	Judith Freedman	<a href="#">@JudithFreedman</a>
5	Della Hudson	<a href="#">@DellaHudsonFCA</a>

That's my second year at number 1.

My thanks to the Institute of Chartered Accountants in England and Wales.

And good to see the top 4 spaces all go to people who focus in tax - split between the sides of the debate.

*PS I should add that when I told one of my sons about this last year hi suggestion was that my makeup routine was not good enough to be a Twitter influencer. Someone needs to keep me grounded.*
