

What is Green QE?

Published: January 15, 2026, 12:47 am

I have already done the [first in a mini-series of videos](#) on the issues that QE (quantitative easing) is giving rise to, how we can address them, and how this relates to modern monetary theory, which some would like to see replace QE. This is the second in that series and discusses how [Green QE](#), which is an idea that I co-created with Colin Hines a decade ago, can address some of the key problems within QE.
