

Funding the Future

If you want to do a PhD in sustainable cost accounting,...

Published: January 13, 2026, 11:23 am

There is a chance to do a PhD in [sustainable cost accounting](#), advertised at Copenhagen Business School today. The details are in these tweets from my friend Prof Len Seabrooke, who will be one of the PhD supervisors.

I will be working on the Time Mirror project for approximately a day a week for four years from June this year and am looking forward to working with the successful applicant.
