

On air and on line: today is media Thursday

Published: January 13, 2026, 8:45 am

I have what appears to be a busy day. This is out first:

<https://twitter.com/alexsalmondshow/status/1364635961985011713?s=21>

The programme is a half our interview partly timed to coincide with the [Scottish Currency Group online conference](#) on the Sustainable Growth Commission, later today.

I have to admit my main participation there is pre-recoded because I am also speaking (this time live) for [Keele World Affairs this evening](#).

Both the Scottish and Keele events will be republished as videos afterwards.
