

# Why we don't need to pay for Covid because we already h..

Published: January 13, 2026, 5:37 am

---

I get really annoyed by all the economists going around saying that we have to work out how to pay for Covid when the simple fact is that we already have. When we realise that we will all be a lot better off. Until we do we could remain in an almighty mess. In this video I explain why.
