

What my fantasy Radio 4 interview sounds like

Published: January 13, 2026, 5:34 pm

As I have [already noted this morning](#), I would love a politician to bite back against an interviewer asking the inane questions in the so-called national debt right now. So I wrote a blog suggesting what I would like to hear. Then I recorded it. It would have been better with someone else playing the interviewer, but the message is, I hope, clear.
