The FT [featured an article by me](#) yesterday on the Biden tax plan:

Opinion FT Alphaville [+ Add to myFT](#)

Biden's global tax plan is not without its challenges

Richard Murphy of Tax Justice argues Biden's tax plan needs robust country-by-country reporting if it's to stop international tax arbitrage.

Under FT rules I am not allowed to reproduce the article here, and so will not. But to get a gist of it, [read this](#).

PS: I am not sure which Tax Justice I was supposed to represent.
