---

I am doing a talk tomorrow evening for Brave New Europe on 'The Green New Deal and how to pay for it' at 7pm UK time.

Registration is free from here <https://helle-panke.de/de/topic/3.termine.html?id=3154>  
For those who want it there is simultaneous translation into German.

There will be a Q&A session because I always think those the most important element of these events.
