As far as I know Sarah Murphy is not a relative of mine. I mention her because she is great on Twitter, and this is typical of her succinct and decidedly targeted commentary:

<https://twitter.com/13sarahmurphy/status/1415934622878375939?s=21>

Sarah also provides a link to The Times editorial. Click on that tweet, then when in Twitter click on the image and it is easy to read in full.

The headline is pretty important though. The FT has recently condemned Johnson. Now the FT is calling him an empty vessel.

Murdoch is moving against Johnson. The times (upper and lower case), they may be a' changin'.
