## When will all those who think the economy is going well...

Published: January 16, 2026, 2:48 am

The Guardian business newsletter is not good news for all those who think that the economy is going just fine:

The Guardian Business Today

Business live

|          |           |         |       |
|----------|-----------|---------|-------|
