

Rowan Williams on Desmond Tutu

Published: January 14, 2026, 9:29 am

I thought this was the most incredible thing to say about the late Desmionbd Tutu, written whilst he was still alive, of course:

Tutu seemed to understand that if you are to love your neighbour as yourself then you have first to love yourself.

It's the forgotten dimension of that instruction, and so important, but in the way that Rowan Williams notes.
