

The IMF says Sunak should tax the rich more

Published: January 13, 2026, 3:13 pm

From [the FT this morning](#):

The IMF said on Tuesday that Rishi Sunak should bring forward planned tax increases to limit the risk of persistently high inflation, even though it would tighten the financial squeeze on Britain's households.

In its annual assessment of the UK economy, the fund said the chancellor should spare poorer households and impose higher income and wealth taxes on richer people.

What can I do but agree? And, also note MMT in action.
