---

For those with an interest in Scotland and its economy, I think [what I had to say in The National](#) yesterday was quite significant:

<https://twitter.com/ScotNational/status/1544415065918431232?s=20&t=mK1YXNj3m3ElGTOoL-Cy3g>

Without adjustment to the devolution settlement the devolved nations could suffer very badly because of inflation, and that matters.
