

## Emily Maitlis, spelling out the dangers of populism and...

Published: January 13, 2026, 7:46 am

---

It is very rare indeed that I realise that the morning news agenda requires that I watch a video of an event broadcast the night before. This morning it did.

I watched this video of Emily Maitlis' speech in Edinburgh last night. It is worth every minute of your time to watch it. I agree with a very great deal of it.

I am not at this moment going to analyse it. You decide. You can't be neutral about it:
