

Funding the Future

Top accountants keep on screwing the world for all they...

Published: January 13, 2026, 9:24 pm

I posted this Tweet this morning:

<https://twitter.com/RichardJMurphy/status/1575743793676140544?s=20&t=0TqwmiRpYHJnzYmq7zDNtA>

To pretend that anything like this level of reward can be justified by the people who run these firms is impossible. This is what oligopoly power looks like, and it is screwing us all.

I apologise that the language has to be so forthright, but for a failing profession, as audit and accountancy is, this is unacceptable.
