## So where do £60 billion of spending cuts come from?

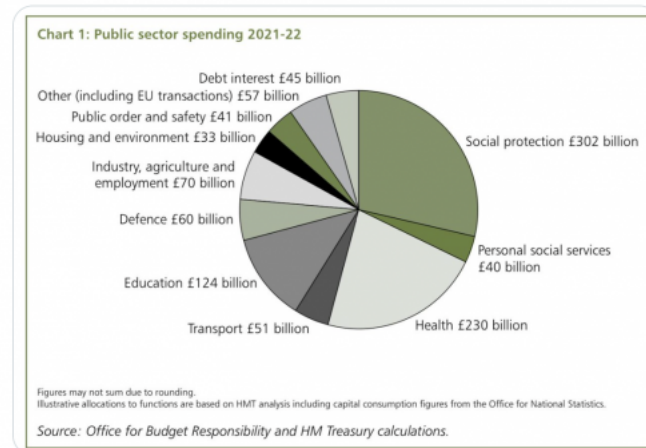

Published: January 14, 2026, 2:51 pm

Just sharing this here:

Find £60 billion of savings out of this given that social security is now protected and the NHS seems to be. Is it defence that goes? Or half of education?

13 68 115

Suggestions, anyone?

Therese Coffey did not dispute the £60 billion figure when on the media round this morning.
