Here's the menu from today's Tory Party Conference.

Conservative Party Conference Lunchtime Menu

*

Money-glazed smirked ham

Deprived shrimps

Scorn fritters

*

Battered electorate,
with a basket of crushed hopes
and slow-cooked fatigue

Half-baked notions,
idling on a soft bed of privilege,
served with a thick faux pas sauce

Kids in blankets,
deep-famished, with a deprivation of vegetables
and a relish reduction

Toads in the hole,
with golden hand-outs in a thick rich gravy
(self-serving only)

*

Eton Mess

Fudge (ten different flavours)
