

Funding the Future

20,000

Published: January 13, 2026, 12:04 am

Purely by chance as I was beginning to moderate comments this morning I noticed that I had published 19,999 posts on this blog to date.

So, for the record, this is the 20,000th.

I guess that is some measure of commitment since June 2006.

I make no pretence that all of them have changed the world. Some, though, might have helped make a difference.

It's that belief that makes me keep going,
