

# The tax gap: the biggest waste of all?

Published: January 13, 2026, 1:03 am

---

This tweet has links to an article by me for Bylines:

<https://twitter.com/BylinesEast/status/1604579023941767168?s=20&t=ZweCkAnUysEmaPaFOYEOWQ>

I was asked by Bylibnes to write about waste. I wrote about the biggest waste of all in the government sector, which is the tax that goes uncollected each year, with the greatest advantage to the wealthy and cheats. Government indifference to this is one of the biggest, unseen and unnoticed scandals of your time,m denying most people the opportunities they need, including paying less tax and so address inequality.
