

# Argument for the day - the real cause of the NHS crisis

Published: January 18, 2026, 7:16 am

---

This is an experiment. The content is real enough. The sound may not be good enough - I forgot the 'furry' hood for the microphone and I think the camera may be the wrong one. But without trial and error I will not get these things right.

Comments welcome on the production, as well as the content.
