Sunak says:

1. Inflation will HALVE this year

True, but arithmetically that's just about inevitable and no challenge at all

2. Govt will GROW the economy

One day, but not for some years

3. National debt to FALL

Not before 2028. We've no data beyond then

Replying to @RichardJMurphy

4. NHS waiting lists to FALL

Given that they're at a record high is that really all he can promise? And what about people dying now unnecessarily

5. New laws to STOP small boats

Laws do not stop boats.

But what did Sunak not say? (Continues)

There was nothing on:

- Employment
- Growing people's pay
- Keeping people in their homes
- New social housing
- Childcare
- Ending student debt
- Anything at all on the environment
