Prof Mariana Mazzucato telling it like it is, and effectively summarising modern monetary theory whilst doing so, on Newsnight last night:

<https://twitter.com/bbcnewsnight/status/1632878277407698944?s=61&t=fQEnD35XLiGihXLT1M1wyA>

Such opportunities come rarely. She grabbed it. If only some politicians took note we could transform people's well-being.

So, a poll to encourage debate. You are allowed two votes:

[poll id="7"]
