# Will you swear allegiance to the King?

Published: January 13, 2026, 6:45 am

This is the front cover of this morning's Mail:

I will not swear allegiance to someone I think has no right to rule this country.

I am not a eugencist.

I do not believe in feudal power.

I do not think this person was given a right to govern by God.

I reject the symbolism in their role.

I refuse to swear something that would be dishonest.
