

My type of flag

Published: January 13, 2026, 9:07 am

My first flag iris of the year, seen yesterday.

There were none in Saturday, but this clump was out yesterday by the River Cam:

Most unusually for me, I am recognising that today is a holiday. I am taking the time to think. Doing the report on the ICAEW was quite draining.

There may be more later. But first, it's time for another walk.
