

Indictments

Published: January 13, 2026, 6:52 pm

As the Guardian notes in a morning newsletter:

Trump has been indicted on four charges:

- * Conspiracy to defraud the United States
- * Conspiracy to obstruct an official proceeding
- * Obstruction of and attempt to obstruct an official proceeding
- * Conspiracy against rights

I can think of a number of UK politicians who I would very much like to see face fairly similar charges here. The evidence is overwhelming in some cases.
