

## Politics is not about sides

Published: January 14, 2026, 8:57 pm

---

I read the news this morning and thought this:

**Richard Murphy**   
@RichardJMurphy

...

Politics is not about sides.

Politics is about finding solutions that meet human need.

Would someone like to remind our politicians that their profession is not all about them?

It is actually about us.

If they understood that the world might be a better place.

I suspect it will not make one iota of difference.

But I think it's true.
