

Give me peace on earth

Published: January 13, 2026, 1:28 pm

This came to mind this morning:

https://youtu.be/o_gOpk0KhUY?si=oKMpV-SiC6UIG8Wv

I could not find a video of George Harrison singing it, but I do anyway like many of the versions of his songs sung at the Concert for George in 2002, after his death, and he had a close working relationship with Jeff Lynne who does lead vocals here.

The sentiments appear apt today.
