

It is time for the people of the US to speak out, or it...

Fascism is heading for the USA. As [the Guardian reports](#) this morning:

Trump had to be asked twice during the televised town hall event in Iowa to deny that he would abuse power to seek revenge on political opponents if re-elected to the White House.

“Under no circumstances, you are promising America tonight, you would never abuse power as retribution against anybody?” Hannity asked Trump in the interview taped in Davenport, Iowa on Tuesday.

“Except for day one,” Trump responded.

It is thought that at least seventy per cent of Republicans favour Trump.

He could be elected, again.

And this is his acknowledged platform, with retribution at its heart.

This is so pertinent:

*First they came for the Communists
And I did not speak out
Because I was not a Communist
Then they came for the Socialists
And I did not speak out
Because I was not a Socialist
Then they came for the trade unionists
And I did not speak out
Because I was not a trade unionist
Then they came for the Jews
And I did not speak out
Because I was not a Jew
Then they came for me
And there was no one left
To speak out for me*

It is time for the people of the US to speak out, or it will be too late.
