

Economics, ethics and other stuff

Published: January 13, 2026, 8:43 pm

I was on the Independence Live livecast last night - which was a one-hour live interview broadcast on multiple social media platforms.

Independence Live is, of course, Scottish-orientated, but what surprised me was how little of this broadcast had anything very much to do with specific Scottish issues and how much focussed on more general economic issues, including the relationship between ethics and economics. The discussion is available here:
